

## REMARKS

Claims 1, 2, and 13-21 have been canceled and claims 3 and 9 have been amended to include all of limitations of the base claim and any intervening claims. Withdrawn claims 5-8 have been canceled and corresponding new claims 22-25 have been added as depending from the generic base claim 9. New claims 22-25 recite that the tray is flexible and can be rolled. New claim 26 has been added and recites that the tray of claim 9 is foldable about a hinge. Claim 9 is generic to these species.

Please note that on page 5, lines 19-21, claim 9 has been indicated to be allowable if rewritten to overcome the rejections under 35 U.S.C. §112, second paragraph. Applicants have thoroughly reviewed the entire action and have been unable to locate an applicable rejection. In particular, the action rejects claims 13-15, 19, 20, and 21, which have been canceled, under 35 U.S.C. §112 but makes no mention of claim 9 or any of the limitations set forth therein.

Applicants submit that amended claims 3, 4, 9-12 and new claims 22-26 are in condition for allowance. Reconsideration and withdrawal of the various objections and rejections are hereby respectfully requested.

If there are any additional fees or refunds, the Commissioner is hereby directed to charge or debit Deposit Account No. 13-2855.

Respectfully submitted for,

MARSHALL, GERSTEIN & BORUN
